

Application for Dispensation of a College Aged Player

Policy:

- No player is permitted to play both Junior Rugby and College Rugby in the same season. All players who attend college should play college rugby in the first instance.
- The view of College Sport Wellington (and supported by JRAB) is that students enrolled at College, should be playing College Rugby with their peers. The JRAB acknowledge that there is a small group of students who remain eligible for Club U13 teams, whilst enrolled at college. In the event that a player wishes to play club rugby instead of college rugby, the dispensation process outlined in this application form must be followed.

Procedure:

The following process must be followed for seeking a dispensation:

- The Junior Convenor of the club concerned must complete and submit a Dispensation Request Form (*JRAB FORM 010*) to the WRFU Junior Rugby Administrator.
- The WRFU Junior Rugby Administrator must then seek a view of the college the student is enrolled at around their need for college rugby.
- If the School agrees that the player is not required, or there is no suitable team for the student then the dispensation is automatically granted.
- If the School doesn't agree that that the player is not required, or they believe there is a suitable team for the student, then the dispensation request is subject to a panel review consisting of the following persons:
 - WRFU Junior Rugby Administrator
 - CSW Sport Manager – Rugby
 - JRAB Board Member (1)
- The decision of the above panel is final.
- Irrespective of an automatic or panel approval, the WRFU Junior Rugby Administrator must advise in writing to both club, and school the outcome.

Any player found playing for their College (whether registered or not) will be removed from their Junior Rugby club team (and any intra-provincial representative team) with immediate effect.

Applications are to be emailed to dispensations@wrfu.co.nz
